How much does child poverty cost Minnesotans each year? Learn the answer to this and much more at a KIDS COUNT Coffee event.

Please join Children's Defense Fund Minnesota as we release the 2009 Minnesota KIDS COUNT Data Book, The Building Blocks for Successful Children. This is the most comprehensive book about children's well-being in Minnesota! Learn about key trends in children's health, education, family income, and more. Also get updated about efforts at the state capitol to support families.

Get informed, get energized, and discover how you can improve the lives of kids!
NEW THIS YEAR: Quick training about online data for kids in your county!
All attendees will receive a free copy of the data book. Coffee and refreshments provided.
