Lesson Plans:

This month we are going to be GERM-BUSTERS... Instead of being worried about the illnesses, we can prevent as much as possible by covering your mouth when you cough, learning to blow your nose, and **WASH, WASH, WASH YOUR HANDS BEFORE AND AFTER ALMOST EVERYTHING WE DO!!**

Working together, will cut down on germs!

We will also be talking about exercising, eating right, and taking care of ourselves.

Please remember to bring your child's outside clothes so we can play outside. Thanks!!!

Please be sure your calendar is current. If there are changes, let us know.

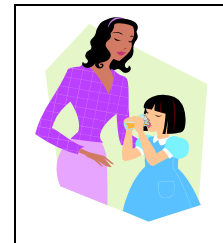

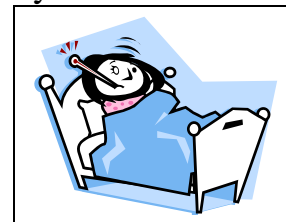

ATTENTION PARENTS:

Attached Is:

1. A copy of being a germ buster.....
2. A handout of H1N1 Frequently Asked Questions???

Just a reminder to remember that if your child has a temperature of 100 degrees or more they may not attend daycare, you will be called and asked to pick up your child if they get sick at daycare..

They may come back when they have been fever free for 24 hours, without taking Tylenol.

Drink plenty of Fluids!!

Thank you for your cooperation so that we can all try to stay healthy.

Have a Happy Thanksgiving!!!
